Comparing
KANSAS
 Communities

**KANSAS
 MUSEUM
 OF HISTORY**

REAL STORIES. REAL FUN.

Be a museum sleuth! To find out how Kansans lived in the past, “track down” some artifacts in the Museum gallery. Draw a picture of the artifact in the blank and label it. When you are done, compare your artifact choices with a friend. What are some similarities or differences between the artifacts in each row? After you leave find artifacts in your own community.
